FOR IMMEDIATE RELEASE

Metegrity Appoints Suresh Bheema as Senior Vice President - Asia Pacific Region

SINGAPORE, Sept. 17, 2020 | Metegrity, a globally trusted provider of quality and asset integrity management (AIM) software solutions, proudly announces the appointment of Suresh Bheema as Senior Vice President for the Asia Pacific Region, stationed out of its newly established Asia Pacific Regional headquarters in Singapore.

Formerly the Senior Vice President of ABS Group Inc. for the Asia Pacific Region, Suresh Bheema has a Degree in Engineering Management and an M.B.A in International Business from Nanyang Business School and also attended Advanced Management Program at Wharton Business School, University of Pennsylvania and has over 30 years of experience in providing technical services in the aspects of safety, quality, integrity and reliability to the Oil & Gas, Marine & Offshore, Power, Refining & Petrochemical Industries across the Asia Pacific Region.

Based out of Singapore, Suresh Bheema spent over 25 years in ABS Group holding various roles of increasing responsibility and lead the Asia Pacific Region and had built trustful relationship with customers and stakeholders and successfully grew the business in region for several years.

Martin Fingerhut, COO of Metegrity says, *"We see that the Asia Pacific Region has the highest growth potential for Asset Integrity Management Solutions and Suresh Bheema with his deep understanding of the business in the Asia Pacific Region will be driving the growth of the Metegrity products and services in the region."*

"I am excited to join Metegrity, that has some unique Asset Integrity Management Software Solutions that could help customers to manage their Asset Integrity, cost efficiently, thereby increasing their uptime, safety and achieve regulatory compliance and ultimately increase the return on their investments."

"There is an untapped demand for Asset Integrity Management Solutions in the Asia Pacific region and being close to the markets could greatly benefit the customers."
